

What is Presence Point?

Presence Point is a nonprofit leadership and consulting ministry whose mission is to develop and support leaders in every walk of life, all over the world, by helping them intentionally live into their calling as shepherds in the lives of those they lead.

The Presence Point team is authentic, the shepherd leadership model is practical, and the message influences people to action.

"At Presence Point, our hope is to help you to live into your calling; to shepherd well those around you looking for support, growth, and guidance."

—Holly Culhane

You were called to lead!

It doesn't matter if you're a CEO, a single mom, a blue-collar supervisor, an intern, a pastor, or an entrepreneur...

A leader is not defined by a position of power. A leader is defined by his or her potential to influence the lives of others in a positive way.

Live into
your
calling®

“The power of your message penetrates quickly into issues of the heart as well as into the role and responsibilities of the shepherd...”

The Leader's Shield

The Leader's Shield, a Biblically-based leadership model, is grounded in the intersection of three pivotal elements of leadership. By shepherding well, you can fulfill your calling as a leader and act as a shielder of those you lead.

Discover how the God-inspired concept of shepherding others will change how you parent, pastor, supervise, manage, and influence those in your life. Shepherding is a universal Godly leadership principle that will challenge you to live into your calling as a leader. Once you experience a Presence Point workshop, and fully understand how shepherding applies to your life, you'll never look at leadership the same way again!

“It’s right, it’s real, and it’s convicting.”

PRESENCE
